## VIEW HOMES OF COLORADO SPRINGS BUYS TEXAS HOME BUILDER

Acquisition of Armadillo Homes gives View an expanded presence in several Texas markets.

Colorado Springs-based View Homes, owners of Desert View, Horizon View, and Aspen View homes, has acquired San Antonio and Laredo based builder, Armadillo Homes.

View Homes is the nation's 52nd largest home building company; Armadillo Homes, ranked number 88 in the country, both according to BUILDER. This acquisition will likely move the View Homes family of builders closer to being listed in the top 30 of the nation's home building companies.

The acquisition expands the View Homes [San Antonio](#) presence further into the New Braunfels and San Antonio markets while opening View Homes to a position in the Laredo market. Both View and Armadillo Homes have been a presence in the [Texas](#) home building industry for more than 30 years.
